CRIF is the leading provider of credit information on private individuals in Switzerland. CRIF stores and processes credit rating-relevant data, such as collection cases, debt collection, loss certificates and publications under the strict conditions of the Swiss Data Protection Act. CRIF's data is used, for example, by financial service providers, e-commerce, in apartment rentals as well as by telecom operators. CRIF declines all liability for possible damages of any kind to the customer or third parties arising from this certificate.
