

This architectural floor plan depicts a multi-story building with a complex layout. The plan is oriented with a north arrow in the upper right corner. The building's footprint is irregular, with several protrusions and recessions. The layout is divided into several main sections:

- Top Section (North):** Features a large "RISQUE" area, possibly a courtyard or a specific functional zone. Below it is a "DEGAGEMENT" (exit/staircase area) and a "BALCON" (balcony).
- Middle Section:** Contains a "COIN MANGER" (dining nook), "CUISINE" (kitchen), "SEJOUR" (living room), and "CHAMBRE 1" (Bedroom 1). There are also "WC" (toilet) and "BAIN" (bathroom) facilities.
- Bottom Section (South):** Includes a "COIN MANGER", "CUISINE", "SEJOUR", and "CHAMBRE 1". It also features a "BALCON" and a "DEGAGEMENT".
- Commercial Units:** On the left side, there are three "LOCAUX COMMERCIAUX" (commercial units) labeled 1, 2, and 3. Each unit has its own "ENTREE" (entrance) and "WC".
- Central Core:** A central vertical strip contains multiple "WC" and "BAIN" facilities, serving as a common core for the residential units.
- Handwritten Annotations:** In the bottom right corner, there are handwritten notes in blue ink: "Cui" and "Sine".

The plan uses standard architectural symbols for doors, windows, furniture, and fixtures. The rooms are labeled in French, and the overall layout suggests a mixed-use building with residential and commercial spaces.
